SENIOR CARE SOLUTIONS

powered by  AlzBetter

Home To Stay is South Jersey's only authorized provider of the **AlzBetter At Home**, a *personalized dementia care management program*. If your loved one has Alzheimer's, a dementia related disease, or some type of cognitive impairment, the **AlzBetter** program can help maintain their independence and enrichment at home.

The easy-to-use app provides tracking and resources for caregivers and family members that:

- Creates meaningful days with a sense of purpose and goal achievement
- Reduces care partner stress
- Reduces hospitalization and readmissions
- Monitors and reports on your loved one's care and quality of life
- Keeps your loved one in their home
