

# HOME CARE + HOME SAFETY

*That Grab Bar Guy is ready to help Home to Stay in our shared mission to help our clients return home and remain at home more safely.*

*That Grab Bar Guy is a registered NJ General Contractor focused on the installation of **grab bars, hand held showers, handrails and small threshold ramps**. Now more than ever, it is important to arrange for home modifications in **advance**, especially with recent quarantines. Virtual and phone consultations are available. Both grab bars and hand held showers can be installed within 24 hours.*

*Plan ahead and have the home ready!*
